<p>IRC275969 SO competition</p> <p>Can you please provide me with the following information:</p> <p>a) How many candidates who were successful in their aptitude tests failed the eligibility sift?</p>		<p>Section 22</p> <p>Intended for future publication</p>	<ul style="list-style-type: none"> • To show compliance with the FOI Act by disclosing information held by the Department as a Public Authority; • There is a general public interest in the accountability, openness and transparency of government, and to promote public understanding <ul style="list-style-type: none"> • There are plans to publish the data for this competition on the Open Data portal upon completion of each stage of the selection process. • As the information requested is of interest to the wider public, it is important that it can be accessed by all interested parties at the same time, it should be equally available to all, not given to some people before others • Publishing the information at this stage would require staff to spend time on accelerating publication rather than other activities in the public interest. 	
<p>In balancing where the public interest lies, the Department contends that public interest considerations against disclosure are predominant, and the public interest is better served by non-disclosure of the data for these assessment stages at this time</p> <p>Signed: Karen Wallace (DECISION MAKER) Date: 06/07/2022</p>
