[REDACTED],

Apologies for not getting to this sooner, [REDACTED] has had to hound me.

IRC 259780 This was a trawl for SO in Public Service Pensions Policy and Legislation - Pensions Division, ESS. The role is in the same branch with the same duties so there is no issue here.

IRC259780 This was a trawl for DP in Policy, Legislation and Communications – the roles are precisely the same, the location is the same and there was nothing in the eligibility criteria that would preclude Blathnaid taking the next person from the list.

Regards

I am not sure what is going on here, I sent you an email on 9<sup>th</sup> September (15.44), at [REDACTED] request regarding IRC 259780 and [REDACTED] forwarded you an email which I had sent to her on 9<sup>th</sup> September regarding IRC 259799. She said that you had to consider them before sending to her, but [REDACTED] told me to send them directly to [REDACTED], as the DP approves them. Any clarity you can give me would be great.

Thank you.

Grace

Just to update you that I spoke to [REDACTED] earlier. The paperwork for the two posts is still with [REDACTED] for approval before passing to DTUS and she will not be back in the office until Tuesday.
