This is the Request to Trawl for the SO post in Public Service Pensions IRC 260785.

I would appreciate if you could forward to the DPs for a decision.

I can confirm that this is a business critical post to deal with legal requirement to remove discrimination from public service pension schemes as a result of the McCloud ruling.

I will follow-up with the required approval of H&F form.

The CIB will be with you shortly.

Give me a ring if you would like to discuss.

Many thanks

Blathnaid
