Request

I was just wondering if there is any timescales with the EO2 recruitment for candidates that were successful at the interviews that had taken place in December 2022? When would these candidates expect placement letters?

DoF Response

I can confirm the department does not hold the information requested.

There are no timescales for allocations from the EO2 General Service competition IRC 265817. At this time, NICSHR is unable to advise when candidates should expect to receive offer letters.
