Re: IRC298228 - Senior Public Prosecutor

In respect of the above IRC and the legal exam tomorrow, are you able to confirm:

1. How many candidates are sitting the exam?
2. How many candidates does the employer intend to call for interview following the exam?

DoF Response

I can confirm the department holds some of the information requested.

1. 89 candidates were invited to sit the test.
2. This information is not held as the number of candidates intended to be called for interview is not yet known.
